RENEWAL APPLICATIONS.

Owing to the number of changes in the address of members, and the absence of any named beneficiary in a case of death and other reasons, it has been found necessary to adopt a renewal application form similar to one on opposite page, which if properly filled up will give all the information required.

These Renewal Application forms will be sent to each member along with the Voting Paper in November. Non-resident members intending to renew their subscription for the ensuing year are requested to fill them up and forward same to Secretary, or retain them until certificate is wanted when they can be sent along with the amount of subscription.

Montreal members when applying personally for certificates should bring the application with them or fill up one at the Secretary's Office. Members when not applying personally should see that their renewal application is in the hands of the Secretary before application is made for certificate, to enable the Secretary to correctly make out same and issue Insurance certificate at same time.

The following is a specimen of how Jno. Smith fills out his application, which is done correctly :

C.

THIRTEENTH ANNUAL REPORT
OF
The Dominion
Commercial Travellers' Association.

Presented at Annual Meeting, 10th December, 1887.

The Annual Reports of this Association have hitherto been declarations of progress and prosperity, and this, the THIRTEENTH ANNUAL REPORT for the year 1887 is no exception, the year being marked as the most prosperous and successful in the history of the Association.

The financial exhibit for the year, as shown by the Treasurer, is particularly satisfactory, the total income for the year amounting to \$21,988,82, being an increase over the previous year of \$2,346,15. An exceedingly gratifying feature of this showing is, that while the income has so largely increased the working expenses have been much less in proportion than last year.

The Capital of the Association now aggregates \$57,775,99, the net gain for the year, after paying all

claims, amounting to no less than \$9,859,67, being the largest surplus in any one year since the organization of the Association. This is partly owing to the increase in Membership, and the small number of death claims we have been called upon to meet, the sum paid being \$6,400,00, or \$3,600,00 less than in the preceeding year.

The following comparative statement shows the increase in Membership for the past year :—

	Ordinary.	Associate.	Life.	Total.
Membership in 1886.....	1,643	30	11	1,684
“ 1887.....	1,820	32	10	1,862
Showing an increase of.....				178

While a large number of our members drop out every year, the loss is more than made up by the new Members, who number 378 for the year.

Eight members have been removed by death during the year, and the mortuary benefits were promptly paid to their widows or representatives, which in some cases proved to be the only insurance that had been left to those who were near and dear. In this connection we would recommend the Mutual Benefit Society under the auspices of this Association, as a very cheap means of providing Life Insurance.

It affords us much pleasure to be able to state that the Commercial Traveller's License, which has occupied the attention of the Association so long, has finally been overcome. The passage of a "Bill"

brought in by this Association, abolishing the tax in this Province, having been passed at the last Session of the Quebec Legislature.

The Trustees of the Educational Fund report that four children of deceased Members are now availing themselves of the advantages of this Fund, and there is still a vacancy of one more. The expenses have been promptly met, and it is proposed to increase the number of Scholarships as soon as the funds will warrant.

Our relations with the Railways are somewhat strained at the present moment, owing to the question of liability for Baggage. A meeting of representatives of the different Associations will be held in a few days with the Passenger Agents, when it is hoped that some amicable arrangement will be made.

The Directors trust the Members will unite in making the Annual Dinner and Ball, which takes place on the 22nd inst. the most successful of any we have yet had. The Grand Trunk and Canadian Pacific Railways have kindly granted return tickets at one fare to Members who may wish to attend.

The Financial Statement, audited by Messrs. Riddell & Common, is herewith submitted for your inspection.

The whole respectfully submitted.
